

GRACE IN THE DESERT PARISH MEMBER INFORMATION UPDATE

Your vestry continues to do the advance work needed to conduct the CAT survey suggest by Bishop Elizabeth. The CAT program is for assessment and analysis of our current position, and helps create a plan to move forward.

This is where YOU come in. Our parish records have suffered from COVID, and in order to obtain the best results from the survey, we need to update our records. When attending the service of your choice you will be given a form to complete regarding your family unit.

PLEASE complete the form and return it quickly. You can place it in the collection plate or return it to an usher, Sue Pickell, *Senior Warden*
