

Flower Guild Report

The Flower Guild averaged over three flower arrangement requests each month, apart from the month of December which is Advent season. In 2021, the guild received 38 requests. Arrangements made were for celebrations, thanksgivings and memorials that included special occasions such as Easter, Father Shannon's departure, two memorials and the Bishop Candidates' reception.

Christmas offerings were received from nearly 20 parish members for which the Flower Guild is truly thankful.

On behalf of the Flower Guild, we wish to thank the Vestry and the parishioners of Grace in the Desert Episcopal Church in supporting us.
