

Foyer Group Report 2021

Grace in the Desert has held Foyer Group Dinners continuously since 2000. During 2021 we were unable to gather at church or in parishioner's homes due to Covid. We are still hopeful we will be able to start Foyer Groups sometime later in 2022.

Foyer Groups have been a great way to meet and visit our wonderful Grace community over small dinner group. We really miss this program.
