

Reading with Grace

The book club, "Reading with Grace" resumed meeting in September via Zoom – reading books selected by members of the group. In November – we had the special honor of a surprise guest, the author, William B. Miller, joined us for a great discussion. Many will remember Bill when he visited Grace a few years ago during Adult Ed – sharing his wonderful "tails". All are welcome to join the discussion, book of the month is published in the e-news.
