

## Stewardship Committee Annual Report

Our stewardship theme for the fall campaign was “Giving from the Heart.” Jesus talks about money more than any other topic in the gospels. His words in (Matthew 6:19-21) resonate with me “Do not store up for yourselves treasures on earth, where moths and rust consume and where thieves break in and steal, but store up for yourselves treasures in heaven, where neither moth nor rust consumes and where thieves do not break in and steal. For where your treasure is, there your heart will be also.” When we consider our riches as belonging to God, we will use what we have in ways that have eternal significance, protecting our hearts from the love of money. We give of ourselves and our treasures to the church for the work of God not because we owe it to God but because it is our way of responding to the call of the Holy Spirit in our lives. “Giving from the heart”.

Our fall stewardship campaign presentations consisted of six of our fellow parishers sharing with us part of what motivates them to give from the heart. With special appreciation I thank Brenda Griego, Tim Parker, Paul turner, Tom LLewllyn, Michael Yackira and Kate Newman for being willing to share with us in their own words what they love about Grace and their vision for the future of Grace.

Thank you also to the following parishioners for their generous pledges in support of the ministries of our parish for 2022.
