

## MESSAGE FROM OUR SENIOR WARDEN

The transition process provides a community the opportunity to look inward and evaluate its status, its purpose, and importance in our lives. It is challenging and can be a difficult undertaking. We, the Vestry, have been given the chance to guide us through this transition process. Bishop Elizabeth has advised us of a tool for achieving our goal more easily by utilizing a program for assessment and analysis of our current position and creating a plan for positive forward movement. You will be hearing about the “CAT” coming to Grace, and YOU have a part in it!

I would like to share with you a few quotes which I hope will create an atmosphere for the program that excites each of us and enable us to participate eagerly.

*Proverbs 29:18*

*“Where there is no vision, the people perish.”*

*Jeremiah 29:11*

*“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.”*

*Philippians 4:13*

*“I can do all things through Christ who strengthens me.”*

The success of the “CAT” survey depends upon the responses received from its participants. If you are one of those petitioned to participate, please respond with honesty. It is through this means that our future success is dependent. While the survey will not include everyone, it will be randomly distributed to a significant number. You will be hearing more about “CAT” in the next few weeks. I know that each of you will put your best foot forward in responding to it. Your input is vital in allowing us to make the best choices for future success. We know God has a plan for us and He has provided us with a means of identifying His plan and putting it into action! YOU can help! God Bless!

Yours Truly,  
Sue
