

Giving at Grace Has Become Easier!

We are happy to announce you now have the ability to contribute to Grace online, through our website, mobile app on your phone or by sending a text message. You can pay your pledge, give a Christmas gift, or contribute to one of our many ministries and select the frequency of your donation.

You will find these and other options when you click “Donate Now” on our website. To get the mobile app, search for “Vanco Mobile” in the App Store or Google Play. Once you open the app, you will be able to designate Grace in the Desert. You can also text FUND to 844-963-1770 to donate. When you donate, you have the option of increasing your donation by 3% to cover the processing fee, so that Grace can receive the full amount of your contribution. You will also receive credit for that additional amount in your annual contribution statement.
